## Choose your class:

Log onto the parent portal, tap 'Find Class' and enroll in your desired class. These are continuous enrollments where you will access your zoom link each week. Be sure to put class in cart and check out. No fee is associated with enrolling.

## Can I switch classes?

Yes, anytime. Enroll in your new class, and use the comment section to indicate the old class to be deleted. We will manually do deletes for you, as this function is not available on the parent portal.

## I don't see the class I want

Classes that have reached capacity do not show up on the class list. Tap the blue filter 'Wait Lists' to show full classes. Add your child to the wait list and you will be notified when an opening is available.

Feel free to email us at [aloha@LavaLearning.org](mailto:aloha@LavaLearning.org) with your desired class time and we will try to open it!

## Which class is appropriate?

JUNIOR classes are recommended for students age 5 - 7 or are in the Junior curriculum. These classes include more activities to break up the study time for younger attention spans.

SENIOR classes are recommended for students age 8 and up or are in the Senior curriculum. These classes cover advanced topics that require more concentration.

ALL AGES classes are open to all ages and curriculum. These classes may be split into Junior and Senior groups as enrollment permits.

IN PERSON classes meet at 1615 Bonanza St #205 in Walnut Creek

## What are Private Sessions for?

Private 30 minute sessions are available to support student learning in their zoom classes. Sign up when encountering a new technique, or a complex problem.

Sign up for a Private session when graduating to the next level. Oral problems are done over zoom, as well as previewing the next level and celebrating your child's achievement.

Private sessions are listed among the classes. Filter 'Session' = 'Private' to enroll.

## My child will be absent

You can let your teacher know of upcoming absences by going to the 3 bar menu in the upper right of the portal. Select "Absences and Makeups" to record absences and schedule make up classes, anytime.
